DIRECTIONS & LAUNCHING

INFORMATION: To Lake Park Marina: From Atlanta, take I-75 South to Wildwood, FL. Take the Sunshine Parkway (Florida Turnpike) to the Ft. Pierce Exit---exit, go one (1) mile East to I-95 South to Blue Heron Blvd. to US 1, turn North (or left onto US 1); just pass the Winn Dixie, turn right onto Silver Beach Road, which takes you directly to the marina and launch ramp. Lake Park Marina is approximately 1 ½ miles north of Sailfish on the west side of the Intercoastal. Contact: Lake Park Marina (561-881-3353).

- They have a launch ramp, boat slips and truck & trailer parking. All slips have power and water. Lake Park Marina charges \$1.50/per LF per day.
- BEST FISHING:** SAILFISH!!! This is a paradise for the neophyte and the seasoned bill fisherman alike. Winter is the height of the sailfish run, but don't be fooled. They won't jump in the boat! Best bet is to rig live goggle eyes on a 7/0 or 8/0 hook. Slow troll the live bait in 100 to 600 feet of water which is only 1 to 3 miles offshore. Blue and white MARLIN have also been caught using this method. Also, WAHOO, TUNA and DOLPHIN: Troll the ledges and blue water with rigged ballyhoo with a Sea Witch or plastic skirt. Swimming mullet also make good trolling bait.
- BAIT/TACKLE:** Baits, rigs, tackle food, drinks and supplies are available at the marina store at SAILFISH. Texaco fuel is available at the marina also.
