- Live shrimp
- Frozen bait including Shrimp, Squid, Chum, Sardines, Cigar Minnows, and more
- Full line of terminal gear and tackle

Main Fishing Targets and Areas:

- **Spotted Sea Trout-** Fish the northern flats on Crystal Bay, island north of outgoing channel markers, the outside of coal barge line that heads to the power plant. Fish the southern mangrove holes if you have a bay boat/jack plate.
- **Redfish-** southern mangroves coming out of Crystal River
- **Gag Grouper-** Throw plugs on submerged rocky structure in 6ft of water or look for other boats and troll large lipped plugs starting close to 9NM state line.

Tips for catching your own bait:

- If needed, pinfish traps can be set on the south side of the Crystal River channel markers in 3 to 5ft of water.
- **Do not** try to use the river water to aerate your bait overnight, it is too fresh. Use seawater and an aerator to keep live bait fresh
